

Midland Police Department

Off Duty Security

One of the many services the Midland Police Department Provides is Off Duty Security for various events held in the City of Midland. The Midland Police Department takes pride in offering this service to our community. However, the Department has a policy that must be complied with in order to make this service successful for everyone involved. Please click on the links below to access our policy and instructions for requesting off duty security.

Thank you for allowing us to be of service to you. If you have any questions about these instructions, the policy, or if you need assistance, please call April Chandler at (432) 685-7101.

Sincerely,

Price Robinson, Chief of Police
