Three new cases of COVID-19 confirmed in Midland

The City of Midland Health Department is currently conducting their investigation on three new confirmed cases of COVID-19 in Midland County, bringing the overall case count to thirty.

The twenty-eighth confirmed case is a male in his 20s who was tested by a private provider. The male has been self-isolating at home. The source of exposure is related to travel in the United States.

The twenty-ninth confirmed case is a female in her 40s who was tested by Midland Health. The female has been self-isolating at home. The source of exposure is contact to known case.

The thirtieth confirmed case is a female in her 20s who was tested by Midland Health. The female has been self-isolating at home. The source of exposure is contact to known case.

The City of Midland Health Department will continue to monitor the individuals in accordance with the CDC.

Midland Health has diagnosed two additional inpatients that are from out of state. These patients will be investigated by their home jurisdiction.
