

## Requirements for New Residential & Commercial Construction:

### **New builders in the City of Midland will need to:**

- ❖ File for NOI (Notice of Intent) to TCEQ Sites 1-5 acres will apply for small site notice coverage required to have prepared SWPPP; Sites 5 acres or more will apply for large site notice required to have prepared SWPPP and operator number assigned by TCEQ
- ❖ Post NOI at the entrance of the site
- ❖ Provide erosion control plans for review
- ❖ Email copy of the NOI to the City Engineering Dept. Office/Stormwater Administrator ([stormwater@midlandtexas.gov](mailto:stormwater@midlandtexas.gov))

\*\*\* For small sites that are part of a Common Plan of Development, developers/homebuilders are required to file for a large site notice if the Common Plan is not substantially complete. Please check TCEQ website ([www.tceq.com](http://www.tceq.com)) for Common Plan of Development rules and applicability for your site.
